

A Precious One

*A precious one from us has gone,
A voice we love is stilled,
A place is vacant in our home
which never can be filled*

*And after a lonely heartache
and many a silent tear,
But always a beautiful memory
Of one we love so dear.*

*Let not your hearts be troubled; believe in God, believe also
in me. In my Father's house are many rooms; if it were not so,
would I have told you that I go to prepare a place for you?
And when I go and prepare a place for you, I will come again,
and will take you to myself, that where I am you may be also.*

"The Sunflower that grew from "tears"....

Toya" Lil Momma" was a smart beautiful woman of many strengths and talents she could make you cry & laugh all at the same time. She never turned her back on anyone, family, friends and or strangers. Her warming smile was only a small token of just how big and beautiful her heart was. If you walked passed her barefoot she would give you the shoes off her feet even if she didn't have any socks on. Trials and tribulations that she encountered in her life didn't define her by far. To know her you had to be in her presence and if you were than you witness the true gift and quality of the meaning PURE!!! God shared her with us all on earth but called her home to allow her soul to rest!!! Toya" Lil Momma" is now at peace, hurt free in eternal healing and happiness. If you knew "Toya-Lil Momma" then you know that her love and faith in God was bigger than her entire being here on earth. So let us not mourn her soul but embrace her everlasting peace and happiness in heaven where someday we all hope to be. For I am not lost but yet flying free over all that love and knew me. This is not the end or goodbye but instead until we meet again I'll always carry you with me.

I am the resurrection, and the life: he that believeth in me, Though he were dead, yet shall he live: and whosoever liveth and believeth in me shall never die.
