## *Farewell My friends*

It was beautiful as long as it lasted, the journey of my life. I have no regrets whatsoever, save the pain I'll leave behind. Those dear hearts who love and care, and the strings pulling at the heart and soul. The strong arms that held me up, when my own strength let me down. At every turning of my life, I came across good friends, friends who stood by me, even when the time raced me by. Farewell, farewell, my friends, I smile and bid you goodbye. No, shed no tears for I need them not, all I need is your smile. If you feel sad do think of me, for that's what I'll like when you live in the hearts of those you love, remember then you never die.

## *Family Appreciation*

Gratefully we extend gratitude to our many friends who have shown their love in so many ways during our time of bereavement. Your acts of kindness, thoughtfulness and prayers have given us inspiration to face this moment. May God continue to bless you and surround you with his wonderful love.
